For accurate colour references, please refer to a sample.

Fibre	100% Solution Dyed Polypropylene
Backing	Plain Back
Total Weight	+/- 950gsm
Total Thickness	+/- 6mm
Fire Rating	2
Location Grade	Medium Commercial
Width/Size	Broadloom: 4.10 wide Tiles: 50cm x 50cm
Guarantee	5 year maintenance linked
Warranty	10 year limited wear

UNIQUE SELLING FEATURES

- cost effective, hardwearing and durable
- suitable for medium commercial applications
- made from stainsafe and colourfast Solution Dyed fibres
- tried, tested and trusted product for more than 30 years

FLOORNET

0800 CARPET (0800 227 738) | www.floornet.co.za

Did you know?

- Care must be taken when ordering or installing carpeting. Like all textile products, it is subject to shade variation between batches.
- Due to dye lot variations, actual material may vary from samples. Certain light sources shining across the surface may emphasise the effect of shadow lines. These are not a manufacturing defect and will not detract from the performance of the carpet.
- Adequate precautions must be taken to protect the carpet against sunlight to prevent premature fading or damage.
- Regular vacuum cleaning is essential. Spills and surface stains can be removed by sponging with a damp cloth, or for more resistant stains, with a mild detergent solution. Use carpet protector mats for chairs with castor wheels.
- A well maintained carpet can reduce airborne allergens, contributing to healthier indoor air quality. Unlike other surfaces, carpet traps dust particles, which keeps them out of the air, and allows them to be easily vacuumed up.
